Modular Tubular Frame

Part Number: **Part Number: TUMCF**

Modular Tubular Frame for the Modular tubular Merchandiser is available in numerous height, width, and depth sections.

Product Details:

- Tubular 1x2 construction.
- Independent tube T-sections connect via integral knobscrews to allow single or multi-section run merchandising.
- Offset narrow slotting minimizes gaps between shelves on adjacent connected sections.
- Accepts Pegboard, Marteck, and Multi-grid Tubular Backs
