Extension Uprite

Part Number: **U**

Increase the height of your Uprites with Extension Uprites, which easily snap in to the top of your existing Uprites.

Product Details:

- Factory-installed connector to fit Lozier Uprites
- Unbalanced load capacity of 2,500 in-lbs
 - This load capacity is considerably less than the capacity of a standard Uprite. Do not exceed this unbalanced load. Overloading could cause the Uprite to tip over or collapse, resulting in personal injury or property damage.
- Heavy Duty Extensions must be used with Heavy Duty Uprites
