# Base Drawer

Part Number: **BSD**

The Base Drawer fits underneath the Base Deck of a Wall Section or Island Section and glides along the floor on plastic glides attached to the bottom of the Drawer. Great for quick access storage of high volume products and other items. **The Base Drawer must be used with Open Base Fronts.**

## Product Details:

- Plastic Glides slide on the floor.
- Must be used with OBF\_06 or OBF\_LB
- Full length drawer pull
- 06 Base Drawer height is 4-1/2" H.
- LB Base Drawer height is 3-1/4" H.
- Actual drawer depth is 3" less than nominal
- Not Compatible with Floor Anchors

NOTE: May mar some finishes on certain floors if heavily loaded.
