Bullnose Deck

Part Number: **BND, BNDRE**

Bullnose Deck features 1 1/4" rounded edge at the front and back of the shelf. The standard Deck has a dent-resistant front edge though is also available with a deflection resistant reinforced front edge.

Product Details:

- 1 1/4" rounded, front edge
- Two rows of 1/4" holes, 1" on center, accepts most Shelf accessories
- Perforation Options: Unpunched and Standard Perforations
- Installation similar to SD Deck
- Works with standard Base End Trim
- Available with deflection-resistant reinforced front edge (RE)
- See table below for lbs evenly distributed per Deck size
