 Versatile grid  
 Peg & Slotwall Accessories

## WIRE BACK ASSEMBLIES

### 3 Flexible Retainer Systems

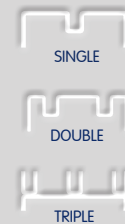

Having Wire Backs is now easy. We have removed the plastic clip and consolidated retainer solutions to accommodate all current designs with a single, double or triple back option. Ordering is also simple; just order a Lozier Wall or Island Section with no backs and no rails. Finish the order with the Wire Back Assembly.

#### INCLUDES

Wiregrid Bottom Rail

Wiregrid Retainers

Backs

**Increase Functionality**
