

# HANDS-FREE DOOR HARDWARE

## Help Reduce hand contact in high-traffic touchpoints

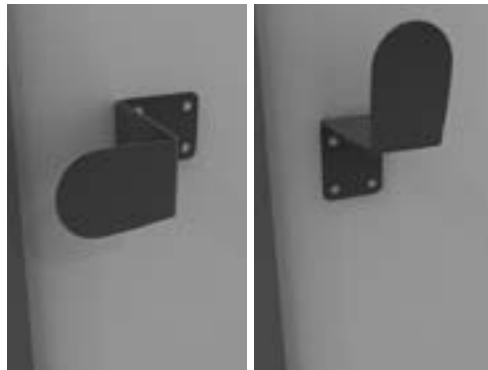

Marketed by

### FEATURES & BENEFITS

Hands-free Foot Pull Door Opener (2-PK)

Hands-free Arm Pull Door Opener (4-PK)

Lozier's Hands-free Door Hardware provides an added level of safety and sanitation to your store. When used properly, foot and arm pulls help minimize high-traffic touchpoints, promoting a healthier environment for your customers and employees. Installation is simple. The durable design is easy to clean and install.

- Foot or arm pulls for use in common spaces such as bathrooms or entryways
- Arm pulls are nylon coated for durability and soft edges; foot pulls are powder coated
- Able to be cleaned with most cleaning agents
- Mounting screws/bolts not included
